

AIR COMPRESSOR

JAC1524 / JAC2050

- Large, easy-to-read gauges
- Includes female coupler for quick and easy coupling
- Wheels and handle allow for convenient maneuverability

Voltage: 230V ~ 50Hz
Power input: 1.1KW, 1.5HP
1.5KW, 2.0HP
Tank capacity: 24L / 50L
Air displacement capacity: 150L/min
190L/min
Pump capacity: 8Bar/115psi
No load speed: 2,800min⁻¹
Net weight: 24kg / 36kg

JAC3050

- Large, easy-to-read gauges
- Includes female coupler for quick and easy coupling
- Wheels and handle allow for convenient maneuverability

Voltage: 230V ~ 50Hz
Power input: 2.2KW, 3HP
Tank capacity: 50L
Air displacement capacity: 350L/min
Pump capacity: 8Bar/115psi
No load speed: 2,800min⁻¹
Net weight: 42kg

JAC3100

- Large, easy-to-read gauges
- Includes female coupler for quick and easy coupling
- Wheels and handle allow for convenient maneuverability

Voltage: 230V ~ 50Hz
Power input: 2.2KW, 3HP
Tank capacity: 100L
Air displacement capacity: 353L/min
Pump capacity: 8Bar/115psi
No load speed: 1,000min⁻¹
Net weight: 83kg

JAC3150

- Large, easy-to-read gauges
- Includes female coupler for quick and easy coupling
- Wheels and handle allow for convenient maneuverability

Voltage: 230V ~ 50Hz
Power input: 2.2KW, 3HP
Tank capacity: 150L
Air displacement capacity: 353L/min
Pump capacity: 8Bar/115psi
No load speed: 1,000min⁻¹
Net weight: 92kg
